

Multiply Suffolk provides fully funded support to both individuals and businesses to improve confidence and productivity by enhancing numeracy skills.

For Businesses:

- A range of support for your business to help you navigate the current economic climate
- Gain a greater understanding of your finances, which could help to reduce costs and improve your profitability
- Bespoke 1-1 and small group support offered to be delivered at your pace

Eligibility Criteria:

- Age 19+
- Live in a Suffolk Postcode area
- Does not hold a Level 2 qualification or above in numeracy (GCSE or Functional Skills) or if you do, this was obtained some time ago and you'd like a refresher.

We can provide your employees with fully-funded support to improve their numeracy skills to help enhance their financial wellbeing.

For Employees:

- Building confidence and skills with everyday maths in the workplace
- Managing your day-to-day budgeting and money management
- Tailored 1-1 and small group support at a time that suits you
- We'll work with you and your team to identify the support needed

Research shows that supporting employee wellbeing benefits employers through increased morale, commitment and productivity.
